Volunteer Bingo:

Even though we're virtual, we still need high stakes players! Volunteer as a room moderator to help field questions in each room's chat. Be sure to watch the state conference communication emails for volunteer sign-ups. Our amazing volunteers are always rewarded for their efforts with some KS SHRM swag!

Business Partner Jackpot:

Is your organization searching for an opportunity to showcase your business and gain the attention of so many in the HR profession? We have you covered in the Virtual Exhibit Hall! There are multiple partnership levels to meet your needs. The front of the house is where it's at for attendees, but the back of the house rules the slots for our Business Partners. Connect with every attendee that enters your virtual booth through videos, documentation, links, prizes and chats where you can interact or schedule virtual calls.
